

Clear

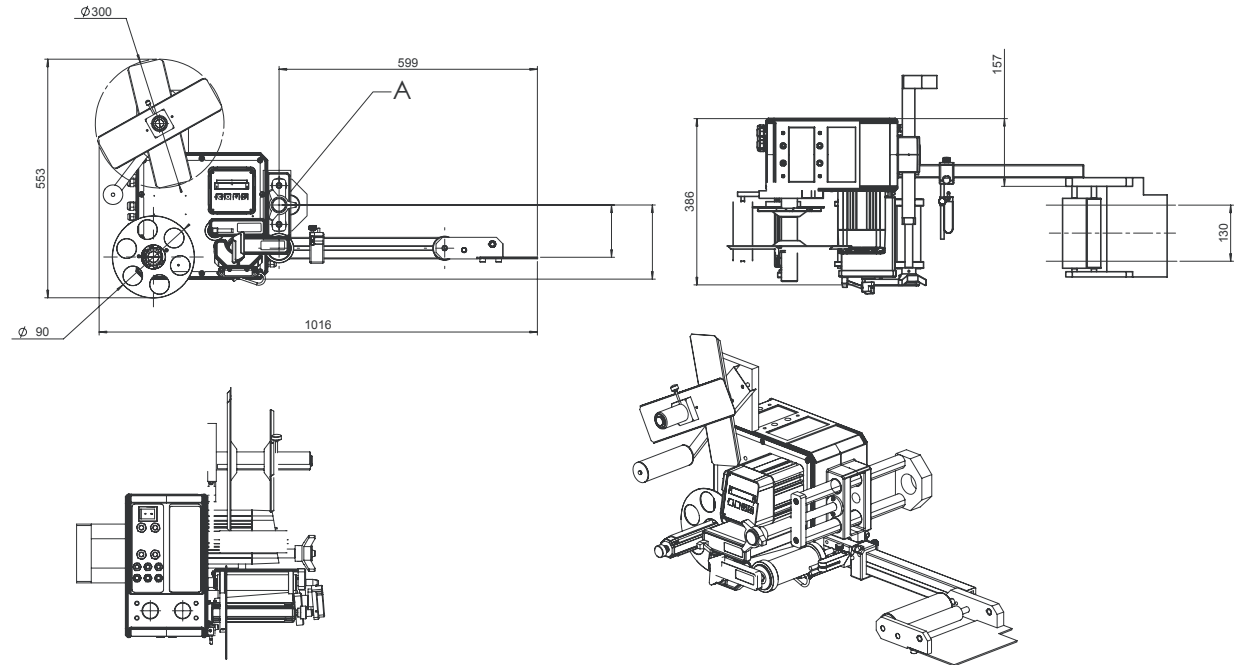

Automatic labellers for pressure-sensitive labels

Labeller 20 mt/minute

Clear is a compact labeller with speeds of up to 20 metres/minute designed for low to medium speed packaging lines or end-of-line applications. It has the technology and structure of an industrial labeller: Clear is solid, accurate and reliable.

Etipack reserves the right to modify according to the technical evolution, without notice. All the rights of intellectual and technological ownership are reserved
