 cargo-partner offices

Environmental friendly

- ✎ cargo-partner management regards environmental responsibility as a high-ranking business objective

- ✎ Therefore, the use of environmental friendly transport technologies and the reduction of emissions are of importance to us – a global issue that calls for global solutions

Environmental cargo-partners

Sustainability generated by efficiency

- ✈ **Creation of (internal) awareness (- 113 to CO2)**
Drivers training, free cooling IT server room, procurement regulations, biogas light truck, electric car, ...
- ✈ **Optimization of transport (- 19 000 to CO2)**
Modal shift from truck to rail (- 8 000 to CO2)
Substantial transfer of TEU to slow steaming ocean carrier
(- 11 000 to CO2)
- ✈ **Reduction of transport's energy consumption**
New technologies are necessary:
cargo-partner supports universities and student groups

Quality Management

ISO 9001:2008

since 1997

cargo-partner QMS
