

## PREMIUM ★★★ 3 in 1

3 SURFACES - 1 SOLUTION!

- High cutting ability
- Convincing lifetime
- Top grinding results with 1 wheel for 3 workpiece materials!

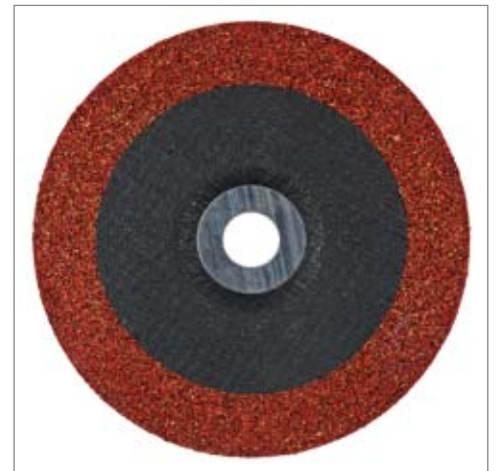

## PREMIUM ★★★ 3 in 1

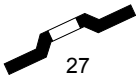

### 3 SURFACES – 1 SOLUTION!

The new multifunctional grinding wheel is very convincing for applications on steel, stainless steel and cast iron.

#### Customer benefits

- Less vibration due to optimized grinding wheel structure
- Reduced warehousing costs (1 product for 3 materials)
- Ensures optimum stock removal performance under the best of working conditions
- Chemical purity guarantees workpiece neutrality (no workpiece contamination)

#### Convincing benefits

- Developed for applications on steel, stainless steel and cast iron
- Optimised grinding wheel has persuasive stock removal rate and lifetime – top savings
- Manufactured according to the highest quality and safety standards

#### Facts and Figures

- $V_s = 80$  m/s
- Resinoid bond
- Fibre glass reinforcement
- Fe-, S-, Cl-, F- frei ( $\leq 0,1\%$ )
