# PHYTO

PHYTO 100  
Code CS900V

**SAFETY CABINETS FOR PHYTO-PHARMACEUTICALS, PESTICIDES AND OTHER PRODUCTS FOR AGRICULTURE USE.**

**CONVENIENT AND MONEY SAVER.**

Manufactured in accordance with DPR 290/01; (decree of the President of the Italian Republic); signs suit ISO 3864 Norm. Electro-galvanized steel sheet construction, thickness 8/10 mm, cold pressed. Pre-treatment to remove grease, epoxy base application and two further thermo-hardening powder coating applications, oven-set at 200 °C. Colour: green RAL 6010.

Leaf doors with 3-point closure safety lock.

Safety signs indicate the presence of hazardous products. Internal height adjustable shelves and epoxy coated sump for spill containment on the bottom.

By request the bottom sump shall be stainless steel manufactured. Air grills at the bottom of the doors for the dynamic or forced ventilation of the cabinet.
